Forecast For Tayside, Central & Fife
Issued by Met Office Aberdeen
at 1600 on Thursday 14 Jan 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Ice and frost night. Dry, bright and cold on Friday.

This Evening and Tonight:
Outbreaks of rain and high ground snow dying out this evening. Then rest of the night will be dry with clearing skies. Turning frosty with some freezing fog and icy stretches. Severe frost developing over snow cover. Minimum temperature -5 deg C (23 deg F).

Friday:
It will be dry with some sunshine, some thickening high cloud in the afternoon. Icy stretches and frost lingering in sheltered glens across Perthshire and the Trossachs. Maximum temperature 3 deg C (37 deg F).

Outlook for Saturday to Monday:
Wet and windy on Saturday, some snow across the southern Highlands. Brighter on Sunday and Monday with occasional showers.
